NOTE FOR: Deputy Director for Operations

Clair:

The DDCI found the attached memo from DDA on the Scranage case helpful. He would like you to follow-up on the contact with foreign nationals issue, however. Could you have someone put together a thoughtful paper about how we handle this at the present time and what changes might be required in light of the Scranage case. Please let me know how soon we can expect this paper.

The DDCI is also anxious for an answer to his 18 July memo (also attached) on
